TOTAL	290	100%

2. Projects currently
 - a. We have finalized the build for the new Brush Rig. –**The Radios are in. Fouts is just waiting on Ford for the Chassis.**
3. Grants
 - a. Safer Act –
 - c. The new AFG application period has opened. Working on that application with the plan of applying for, 22 sets of Turnouts, 22 additional SCBA face masks, 9 Triband mobile radios and 20 pagers. – **This has been submitted.**
 - e. Will be working with Murray Paolo on the Homeland Security Grant for Radios. – **This grant has been submitted. Update! We have been awarded Part one of this grant which will provide 4-5 new radios for apparatus. Still waiting on Part two. Funds will not be available until September sometime.**
4. There has been one citizen file a nuisance complaint with the City of Yamhill about the backlite portion of the reader board sign. This person is on the City Planning Commission and has been complaining for the last few months at that meeting because the city signed off on the permits for the sign and it did not come before the Planning Commission for their recommendations. The city council has not sent it

back to the Planning Commission for review. We went thru all the required permitting process required by the city, county, and federal government to place this sign. (See attached photos that I submitted to City Council regarding other signs in town). – Memo from the City Lawyer. – Nothing to update currently.

5. The Storage building next door in in need of some repairs this summer. Due to the snow and ice, we have the main cover tearing on both ends. Estimate numbers for just the main cover is about \$5,000. Working on obtaining final numbers to replace both ends and the main cover. – Update, we were able to obtain a new main cover, and both ends for \$4,700. It is the heavier weight material. The new cover is here will be working on a plan to get it installed.
6. Trampas will provide updates on Conflagration. We have taken the District Water Tender and Engines off the conflagration list for the rest of this year, due to Yamhill City water conditions.
7. The City of Yamhill is currently at a level 2 Water Restrictions. We have been working on backup plans for Fire Suppression. At the current city conditions if we had a fire and pulled water from the hydrants the city would most likely be unable to recover. I will have more updates at the Board.
8. Working on the COVID-19 rules for Health Care works that Governor Brown put in place last week, and what that means for the district and the volunteers. Hope to have more information and direction by Board meeting.
9. My hours for the month of July:

District Work	158.50 hours
Calls	31.97 hours.
Drills	5.0 hours
Class	0 hours
Other	28.45 hours
Total	223.92 hours
